INFECTIOUS DISEASE PREVENTION AND CONTROL UNIT
SEPTEMBER MONTHLY REPORT

SECTION A2: Number of persons involved in reported outbreaks and clusters of infectious diseases during April 2016.

Notifiable Disease	Malta		Gozo		Total	Remarks
	Males	Females	Males	Females		
Food borne illness, <i>Salmonella</i>	1	1	-	-	2	Two cases in one outbreak.
Food borne illness, <i>Unspecified</i>	1	2	-	-	3	Three cases in one outbreak.

These figures have been compiled by the staff at the Infectious Disease Prevention and Control Unit on the basis of notifications and reports by medical practitioners, private laboratories and laboratory reports from the Microbiology Unit, Mater Dei Hospital, together with reports made by Medical Officers of Health responsible for communicable disease surveillance. The figures in April are subject to revision in the light of confirmatory laboratory investigations. A copy of this document is available on the IDCU website <http://www.ehealth.gov.mt>
