INFECTIOUS DISEASE PREVENTION AND CONTROL UNIT
SEPTEMBER MONTHLY REPORT

These figures have been compiled by the staff at the Infectious Disease Prevention and Control Unit on the basis of notifications and reports by medical practitioners, private laboratories and laboratory reports from the Microbiology Unit, Mater Dei Hospital, together with reports made by Medical Officers of Health responsible for communicable disease surveillance. The figures in December are subject to revision in the light of confirmatory laboratory investigations. A copy of this document is available on the IDCU website <http://www.ehealth.gov.mt>

Dr. C Gauci
